

## Photographs on the Web

Our website is [www.roslyns swimclub.com](http://www.roslyns swimclub.com). We occasionally will post photographs of the club and swim team activities on this site. Children may be identified by first name, but last names will never be used. If you would prefer that photos of you or your children NOT be put on the website, please fill out the information below and return with your registration form.

Please do not post pictures of my family on the Roslyn website:
